

CABERNET SAUVIGNON MARCA TREVIGIANA IGT

2022 | Red Wine

 Italy, Veneto

Soligo

8008170000563

Case Size: 6

Ruby red colour with garnet tinges. Pleasant fragrances of plum and cranberry, floral notes of violet and roses, as well as a hint of vanilla on the nose. Well-balanced with smooth tannins. The soft, fruity aftertastes play with the fresh flavour.

Vinification:

The grapes are collected at full ripening in order to develop the aromatic component to its maximum potential. The grape harvest generally takes place in October. Bunches are harvested manually and once they reach the wine-cellar start a 20 days fermentation process on skins in steel fermenters. Maceration takes place for 2 weeks followed by aging in stainless steels for 4 months.

Grape Varieties: Cabernet Sauvignon

Classification: IGT | **ABV:** 12.5% | **Closure:** Natural Cork
