

VIN SANTO DEL CHIANTI DOC

2016 | Dessert Wine

Case Size: 6

A brilliant golden yellow with amber highlights, aromas of the wine are attractively intense with notes of apricots, almonds, and hazelnuts. Dense on the palate, sweet and long, it shows an excellent balance between sweetness and a vibrant acidity

Vinification:

The wine is produced in a rigorously traditional way, leaving the grape bunches to dry until February in order to increase the sugar content as the grapes dry and raisin. The must then ferments and ages in small barrels for a minimum of four years.
