

ETNA DOC ROSATO

2023 | Rose Wine

 Italy, Sicily

Alta Mora

Case Size: 6

Brilliant dark orange colour. Subtle aromas and flavours of red cherry and pink flowers, clean and fresh on the palate. Very aromatic and balanced taste, with a slightly salty finish.

Vinification:

Short cold maceration on the grape skins at a controlled temperature of 10°C. A soft pressing of the whole grapes is carried out in order to extract around 40% of the must. After one night of static fermentation, the wine is transferred into stainless steel tanks for 4 months, followed by ageing in the bottle.

Grape Varieties: Nerello Mascalese

Classification: DOC | **ABV:** 12% | **Closure:** Natural Cork
