
GRECHETTO IGT LAZIO, TRAPPOLINI

2016 | White Wine

 Italy, Lazio

Trappolini

Case Size: 6

Medium-bodied, with a floral nose and acacia overtones, it's a light quaffer with lemon citrus zip, a little fleshiness of apricot and persimmon, and the honeydew melon so often found in Grechetto. As in so much of central Italy, volcanic influence in the soil imparts a slight smokiness that darkens the tone and lends a pleasant background to the fruit. Balanced with acidity that keeps everything fresh.

Vinification:

The Grechetto grapes are fermented in steel tank and are stored on the fine lees for 6 months before bottling.

Grape Varieties: Grecanico

Classification: IGT Lazio | **ABV:** 13.5% | **Closure:** Natural Cork
