
KORLAT CABERNET SAUVIGNON, BENKOVAC

2015 | Red Wine

Case Size: 6

Korlat Cabernet Sauvignon is exceptionally dark, deep, almost black in colour with a distinctive violet reflection. In its aromatic profile it is characterized by an abundance of diversified aromas such as plum, blueberry, blackcurrant and a discrete spicy note. The wine is full-bodied, harmonious with superbly concentrated aromas and a slightly more pronounced freshness with plenty of ripe tannins.

Vinification:

The Cabernet Sauvignon grapes undergo maceration, with skin, for 5 to 10 days before temperature controlled fermentation with selected yeast strains. The wine is aged in oak before bottling and release.
