
MALBEC RESERVE

2020 | Red Wine

Argentina, Mendoza

Don Manuel Villafane

Case Size: 6

Purple hints of very good intensity. Delicious aromas of plums, morello cherry, truffle and, with ageing, chocolate and vanilla. Argentinian Malbec tends to enjoy mellower tannin to its French counterpart.

Vinification:

The Malbec grapes are manual harvested in Villafane's Maipu vineyard. They are immediately then transferred in 20 kilo cases to the winery, a short distance away, for soft crushing, pumping over and maceration followed by a controlled malolactic fermentation. The wine is then aged in new French oak barrels for 12 months and aged in the bottle for a further 12 months.

Grape Varieties: Malbec

Classification: Reserva | **ABV:** 14% | **Closure:** Natural Cork
