

TAURASI DOCG 'RENONNO'

2017 | Red Wine

Case Size: 6

"Renonno" is produced from the historical vineyards inherited from the grandfather. Part of the plot has already been replanted with Aglianico clones generated from centenary vines. Ruby red in colour with garnet reflections, the taste is full, soft, savory, sumptuous and sustained from start to finish.

Vinification:

The grapes are manually harvested at the beginning of November. Fermentation takes place in stainless steel tanks at controlled temperatures. It matures in small French barrels and large oak casks for approximately 36 months followed by a minimum of 6 months in the bottle.

Italy, Campania

Salvatore Molettieri

Grape Varieties: Aglianico

Classification: DOCG | **ABV:** 15% | **Closure:** Natural Cork
